| <input type="checkbox"/> 5       | *Seminar Series Overview                                   | \$180 |                               |
| 6                                | *National Certification Exam - Application deadline May 23 |       |                               |

### Lower Body - 2010

|                                  |                                  |       | <b>TEST</b>                   |
|----------------------------------|----------------------------------|-------|-------------------------------|
| <b>September</b>                 |                                  |       |                               |
| <input type="checkbox"/> 10      | *Principles & Practices          | \$185 | <input type="checkbox"/> \$50 |
| <input type="checkbox"/> 11 – 12 | (LB-1) Mid and Low Back          | \$370 | <input type="checkbox"/> \$50 |
| <b>October</b>                   |                                  |       |                               |
| <input type="checkbox"/> 15      | *Principles & Practices          | \$185 | <input type="checkbox"/> \$50 |
| <input type="checkbox"/> 16 – 17 | (LB-2) Hip, Buttock and Pelvic   | \$370 | <input type="checkbox"/> \$50 |
| <b>November</b>                  |                                  |       |                               |
| <input type="checkbox"/> 13 – 14 | (LB-3) Knee, Ankle and Foot      | \$370 | <input type="checkbox"/> \$50 |
| <b>December</b>                  |                                  |       |                               |
| <input type="checkbox"/> 11 – 12 | *Advanced Techniques: Lower Body | \$370 | <input type="checkbox"/> \$50 |

### \* Please Note:

- The **Principles and Practices** seminar is given on four dates. Attendance is required only once.
- **LB-1, 2 and 3** are prerequisites for **Advanced Techniques: Lower Body**
- **UB-1, 2 and 3** are prerequisites for **Advanced Techniques: Upper Body**
- Prerequisite for **Lab: Clinical Applications - ALL Core** and **Advanced** seminars
- **Seminar Series Overview** is available to participants who have completed the entire Seminar Series. Highly recommended as a review for the AIMS National Cert Examination.
- **National Certification Exam** - Successful completion of the entire seminar Series and Tests
